Sainsbury's Vouchers

We are collecting Sainsbury's vouchers in school to buy cooking equipment for the Junior kitchen. The collection box is on the KS2 corridor.

Home time

As you can appreciate, the safeguarding of your children is extremely important to us. We would ask you to be patient at the end of the day when we are dismissing up to 30 children as we need to check that only adults we recognise will be allowed to take children home—sometimes there may be a slight delay but we can assure you that this will be kept to an absolute minimum. If someone different is picking your child up, please contact the school office by 2:30pm so that they can let the teacher know.

Headlice

Please check your child's hair on a regular basis to ensure that they do not have eggs or lice. If they do, please treat this with conditioner combed through the hair or a chemical treatment from the chemist.

Internet Safety

We work very hard in school to keep your children safe when they are on the internet and all our children know how to report something that they don't like. Further internet safety information can be found on our website under the Children tab. You can also report directly to CEOP from there.

Poppy Appeal

We have recently been informed that we raised £106.97 for the Poppy Appeal at Leverhulme. Thank you to everyone who bought a poppy.

Website

Please check the school website for regular updates. www.leverhulmecps.co.uk
